

## Christopher Rizek to Speak on Ethical Problems for Young Lawyers

01.30.2015

Program: What's a Young Tax Attorney to Do When....?

Event Sponsor: American Bar Association, 2015 Midyear Meeting

This panel continues the focus from the September meeting's "back to basics" session by exploring the kinds of ethical problems young lawyers are likely to encounter in their first years of practice and reminding them of the applicable rules in Circular 230 and the Code and Regs, as well as the aspirational standards set forth in Circular 230.
