

## Meghan Biss Addresses Recent Legal Developments Impacting Exempt Organizations at AICPA & CIMA Not-for-Profit Industry Conference

06.13.2022 | 1:40 –2:55 PM

Gaylord National, National Harbor, MD

Program: Legal Updates/Reaction from Treasury & Hill Update (Speaker)

Event Sponsor: AICPA & CIMA Not-for-Profit Industry Conference

This session will provide an update and insights on legal developments during the past year that impact tax-exempt organizations. Presenters' will react and comment on information covered in the previous session (by IRS and Treasury representatives) in order to help attendees understand and assess how IRS and Treasury priorities and initiatives may affect the tax-exempt sector.

Learning Objectives:

- Recognize the important legal and tax issues that impact a tax-exempt organization.
- Identify questions and concerns that arise from recent EO-related developments
- Analyze the IRS's and Treasury initiatives on the tax-exempt sector and your organization.
