

## CNN Interviews Trevor Potter on Trump's Financial Disclosure

03.17.2016

*CNN*

Commenting to *CNN* on Donald Trump's 94-page financial disclosure recently released by the Federal Election Commission, Caplin & Drysdale's Trevor Potter remarked, "It was a somewhat inflated report in the sense that he lists as his assets billions of dollars in good will for the Trump name, I don't know what the marketplace pays for that, but that is unusual for those forms."
