Listing Highlights Best Midsized Firms for Law Students and Laterals

WASHINGTON, D.C. – March 26, 2015: Caplin & Drysdale is pleased to announce that Vault has included the Firm in its Top 150 Under 150, highlighting the best small and midsized law firms with 150 or fewer attorneys for law students and lateral candidates. The Firm's President, Beth Shapiro Kaufman, remarked "Caplin & Drysdale's culture affords young lawyers the opportunity to work with highly-skilled practitioners on substantive and challenging assignments. We give our associates hands-on experience and mentoring, as well as opportunities to continue their education, so that they are equipped to advance in their careers. From day one, each associate becomes a key part of the team working to provide thoughtful and nuanced advice to our clients."

Vault developed the Top 150 Under 150 as a resource for students and laterals seeking an experience outside of BigLaw. Firms included on Vault's Top 150 Under 150 list provide associates with the opportunity to not only work at a top law firm, but to also take on substantial responsibility early on in their careers, and to potentially increase their chances for partnership more quickly.

To determine the Top 150 Under 150, Vault first developed a list of the best-known and most sought-after U.S. firms with fewer than 150 attorneys. Vault's editorial and research teams pored through Vault survey data, news stories, trade journals, and other legal publications; spoke with lawyers in the field; and reviewed other published rankings. Vault editors also assessed each firm for prestige, quality of life, and professional growth opportunities, and then narrowed down the results to come up with a list of 150 law firms known for providing top-notch service and delivering big results.
